Matt:

Oooo...

Call me whatever, but the past has shown
I'm stonger on my own, don't need nobody.
Don't wanna make exceptions to the rule
Cause I am no ones fool, suffering gladly.

But now I don't have a choice
Inside me there is a voice, that tells me
Gotta let go. So,

Can I Trust You? Cause I've been hurt before,
And I can't take it anymore.
Can I Trust You? Show me your honesty.
Tell me you promise me the truth.

Yeah, Yeah, Yeah.

It isn't easy cause I wanna fight,
But now my hands are tied and I don't like it.
I hate when there's nothing I can do
But when I look at you, I get excited.

Maybe I could do with your help,
To coax me out of myself, and
Help me wanna let go

Rap: Cause I'm a DJ slash producer
And I got a real buzz, when they introduce her
Cause I get what I want and I get it real quick.
If you don't like the water, don't cruise the ship.
I use metaphors to get across what I'm sayin'
Cause love is a game n' people be playing.
It hurts when you lose, so you really wanna win.
So be devoted from the end, right to second you begin.

Can I Trust You? Cause I've been hurt before,
And I can't take it anymore.
Can I Trust You? Show me your honesty.
Tell me you promise me the truth.
