Frankie:

I, I wanna know, why can't you see  
What your doing is gonna come back and bite you in  
the

Calvin:

But, I've had enough.  
How can you do what you do.  
Do you think you can buy me?

Frankie:

I wanna see if we can turn this around  
And stick together like glue. You and me.  
Cause what happens now could last forever

All:

We can't stand by and watch you Steal Our Sunshine.  
Sunshine. I just won't let you take it all away.  
So open up your eyes and see the money  
Doesn't grow on trees.  
Don't let them take your sunshine away.

(Your sunshine...)

Calvin:

Stop and listen up.  
Don't say a word cause I'm bored of it,  
We gotta try and work it out.  
Feet on the ground, just walk away from it.  
Don't be so crazy.

Frankie:

Now, I wanna see if we can turn this around  
And stick together like glue. You and me.  
Cause what happens now could last forever.  
I know what's really going on  
There's no turning back once it's gone, it's gone.

All:

We can't stand by and watch you Steal Our Sunshine.  
Sunshine. I just won't let you take it all away.  
So open up your eyes and see the money

Doesn't grow on trees.  
Don't let them take your sunshine away.

Don't let them take your sunshine away.

(Your sunshine...)
