Frankie: Dreamin', dreamin, dreamin

Frankie & Calvin:
I've been dreaming about a place where I can watch you
Smile as you let sunlight hit your face.
Sing if your happy, cry if your blue,
Eat if your hungry, love if your true.
But baby there's heartache roaming this world.
Something has gotten hold of us and baby we all hurt
We all try to fight it, and sometimes we win.
As long as your Dreamin'
Your not giving in.

We're Dreamin' Yeah yeah yeah yeah
All around the world now
All around the world now.
Dreamin' Yeah yeah yeah yeah
All around the world now
All around the world now.

Frankie & Calvin:
We all have been wondering, if there's a plan
Cause sometimes we find the cruelty, to cruel to understand
Honey we're dreamin', and that's not a crime
The rules will reveal, with the passing of time
Tell me a story, I'll sing you a song
Let's make it be about a place where people can belong
Baby there's nothing that I wouldn't do
To bring them to life and, to make them come true.

We're Dreamin' Yeah yeah yeah yeah
All around the world now
All around the world now
Dreamin' Yeah yeah yeah yeah
All around the world now
All around the world now

(Gutiar Solo)

(All around the world now...)

(All around the world now...)

Frankie & Calvin:
I've been dreaming about a place, where I can watch
you
Smile as you let sunlight hit your face.
Where nothing can tear two people apart,
A place where it's cool to open your heart

We're Dreamin' (Yeah yeah yeah yeah)
All around the world now
All around the world now
Dreamin' (Yeah yeah yeah yeah)
All around the world now
All around the world now

We're Dreamin' (Yeah yeah yeah yeah)
All around the world now
All around the world now
Dreamin' (Yeah yeah yeah yeah)
All around the world now
All around the world now
