Calvin:

On days like these, you can be anyone.
Do whatever you want, but as long as your having fun.
The girls look fly, the guys gather one by one.
Well, it's a rollercoaster ride, but you just gotta take a ride.

Cause the word is out, something you can shout about.

(Uh-oh, Uh-oh)

Here Comes Summer

The moment we've been waiting for.

(Uh-oh, Uh-oh)

Sweet taste of summer,

Screaming from the coller door.

Our work is on the break. There'll be no more school today,

Cause Here Comes Summer.

The radio's blasting out another favorite song.

It's just so good to be alive, when all you see is bluey skies.

No more rules. No more this and that.

Right now we're chilling in the sun,

I feel a party comin' on. Ooo Yea.

Well, the word is out, and everybody's shouting out,

(Uh-oh, Uh-oh)

Here Comes Summer

The moment we've been waiting for.

(Uh-oh, Uh-oh)

Sweet taste of summer,

Screaming from the coller door.

Our work is on the break. There'll be no more school today,

Cause Here Comes Summer.

(Uh-oh, Uh-oh)

Here Comes Summer

The moment we've been waiting for.

(Uh-oh, Uh-oh)

Sweet taste of summer
Screaming from the collar door.
Our work is on the break. There'll be no more school
today,
Cause Here Comes Summer.
