Matt:

Can I make the raindrops fall on the desert sand?

Can I pick you up and fly you to a wonderland?

Can I stop the world from turning just to make the day last?

Can I make you smile in the future and forget the past?

Rachel: Can you make my heart skip a beat when you hold my hand?

(Matt: If you ask me to.)

Rachel: Can you be soul protector and my number one fan?

(Matt: If you ask me to.)

Rachel: Can you be the lead in my movie with an A-list cast?

(Matt: If you ask me to.)

Rachel: Can you be the one to make me fall in love so fast?

(Matt: If you ask me to.)

Rachel & Matt:

I could spend all day, tryin' to tell you

All the ways that I adore you.

But I'll simplify and say,

I Want You Around.

You got a smile so gifted, it could disappear a frown.

Ooo you got me uplifted everyday.

I Want You Around

I'll hang on every little word you say.

I know it's not a original or profound,

But I Want You Around.

Rachel: Would you steal all the stars out of the sky for me?

(Matt: If you ask me to.)

Rachel: Would you fall a thousand miles just to fall with me?

(Matt: If you ask me to.)

Rachel: Would you commit a thousand

Crimes to do some time with me?

(Matt: If you ask me to.)

Rachel: Would you lie to your family and your friends  
for me?

(Matt: If you ask me to.)

Rachel & Matt:

I could spend all day, tryin' to tell you

All the ways that I adore you.

But I'll simplify and say,

I Want You Around.

You got a smile so gifted, it could dissapear a frown.

Ooo you got me uplifted everyday.

I Want You Around

I'll hang on every little word you say.

I know it's not a original or profound,

But I Want You Around.
