I Want You, I need you
Do anything just to please you
Don't tease me, I beg you
Don't you know I can't forget you
The burning desire, it seems my heart is on fire
I just have to make you mine
Oh please let me drown in your armour of love

I Want You, I need you
Do anything to please you
Don't tease me, I beg you
Don't you know I can't forget you

He wants her, he needs her
Why can't you see she's a teaser?
Can't see with his own eyes
It's too late, he lost it big time
Oh, come here, my darling

And let me set you free
Don't keep me waiting
You are the one for me

I Want You, I need you
Do anything to please you
Don't tease me, I beg you
Don't you know I can't forget you

He wants her, he needs her
Why can't you see she's a teaser?
Can't see with his own eyes
It's too late, he lost it big time

Oh, heavens are smiling upon a love so true
The angels are hiding, a shade of beautiful you

I Want You, I need you
Do anything to please you
Don't tease me, I beg you
Don't you know I can't forget you
He wants her, he needs her

Why can't you see she's a teaser?
Can't see with his own eyes
It's too late, he lost it big time

He wants her
