Professor Toone:

Walk to the beat of your own drum.

Don't get stuck in a rut, you gotta have fun.

And let it be different if you want some.

(Make a change)

Frankie & Calvin: Stand out from everyone around you.

(Take a chance)

Frankie & Calvin: Just try to find another point of view.

(One of the same)

Frankie & Calvin: You gotta learn to do the things you never do.

And take a risk or two.

So rip it up and throw the rules away.

And open up your mind today.

Cause you can turn yourself into something else,

So get up and Make A Change.

And don't be scared to try things differently

Or people sayin' "Don't be so crazy."

You know you can turn yourself into something else

So get up and Make A Change

Make A Change.

Professor Toone:

And now for something completely different.

Frankie:

Like singing a song on a surfboard

Calvin:

Or taking a ride on a hopsicorn.

Frankie:

You can stand on your head if you get bored.

(Make a change)

Frankie & Calvin: Stand out from everyone around you.

(Take a chance)

Frankie & Calvin: Just try to find another point of view.
