Matt:

I might act like I'm so insincere.
Pretend like I don't really care, girl.
You'd be right to not believe a word I say.

I know, I've said this so many times.
I don't even know if there lies, girl.
You'd be right to not believe a word I say

Rachel & Matt:

I want to show you what I'm thinking of you
You should be mine.
I want you, but I don't know how to begin to
Open up my heart.

Rachel:

And now, I feel I must try to explain.
Nothing I do feels the same, boy
You'd be right to doubt the words I say

But it's true, no one makes me feel like you do
The games I've been playing are through, boy
Now it's time you believe the words I say

Rachel & Matt:

I want to show you what I'm thinking of you
You should be mine.
I want you, but I don't know how to begin to
Open up my heart.

Matt:

They used to say he'll never change.
One day I'll prove them all wrong.
But I gotta let you know
Oh baby, gotta let you know

Rachel: I want to, show you what I'm thinking of you

Matt: You should be mine and I want...

Rachel: But I don't know how to begin to...

Open Up My Heart

Rachel & Matt:

I want to show you what I'm thinking of you

Rachel & Matt:

I want you, but I don't know how to begin to.

I want to show you what I'm thinking of you.

Open up my heart.

(Matt: Cause I want you girl I really want you.

I need you girl, I really need you,

Cause I w-want you and I lala need you)

Rachel: Open Up My Heart.
