(Our Life... So Tight...)

Lorna:

Three become as one, having fun  
Lives full of possibilities.  
Got the dream, everything in this team  
Working to what we believe

Rachel:

Mirror, Mirror tell us, the answer to our prayers.  
Bringing us together, nothing can compare

Stacey, Lorna, & Rachel:

This is our life.  
(We're on a roll, good to go)  
Sisters hanging so tight  
(Riding high, looking fly)  
This is our life.  
(Super queens, living dreams)  
Walking side by side.  
(With the crew coming through)  
Sisters this our life.

Stacey:

Day and night, got a vibe,  
Time to ride, one by one we hit the road.  
We'll be strong, holdin' on, cause we belong.  
Always gonna stand by you.

(And with a little attitude...)

Rachel:

Mirror, Mirror tell us, the answer to our prayers.  
Bringing us together, nothing can compare

Stacey, Lorna, & Rachel:

This is our life.  
(We're on a roll, good to go)  
Sisters hanging so tight  
(Riding high, looking fly)  
This is our life.  
(Super queens, living dreams)

Walking side by side.  
(With the crew coming through)  
Sisters this our life.

This is our life, everybody's gonna know my name.  
(We're on a roll, good to go)  
Sisters hanging so tight, nothings ever gonna be the same.

(Riding high, looking fly)  
This is our life, everybody's gonna know my name  
(Super queens, living dreams)  
Walking side by side, nothings ever gonna be the same  
(With the crew coming through)  
Sisters this our life.

Lorna:  
No one used to understand me,  
Thought that I was just a freak.  
(Stacey: Inside you cried)  
Thought that I would be a failure,  
Never used to notice me  
(You thrived, survived)  
But look at us now.

Stacey, Lorna, & Rachel:  
This is our life.  
(We're on a roll, good to go)  
Sisters hanging so tight  
(Riding high, looking fly)  
This is our life.  
(Super queens, living dreams)  
Walking side by side.  
(With the crew coming through)  
Sisters this our life.

This is our life, everybody's gonna know my name.  
(We're on a roll, good to go)  
Sisters hanging so tight, nothings ever gonna be the same.  
(Riding high, looking fly)  
This is our life, everybody's gonna know my name  
(Super queens, living dreams)  
Walking side by side, nothings ever gonna be the same  
(With the crew coming through)  
Sisters this our life.
