George:

[Spoken] Say it's alright, come on.

Life has never been logical,  
You can feel like a criminal.  
Doing things that are natural.  
Tell me do you understand?

Everybody's got ups and downs, yeah  
Your whole world just turns around.  
You need somebody to trust in you, when tomorrow  
comes.

Livin' each day as if it's the last,  
Is what I should do but I know,  
The day has just passed.

Chorus:

Is it all wrong? Is it alright?  
Is it all black or is it all white?  
Should I turn left or should I turn right?  
Say it's alright...  
Is it all wrong, is it all right?  
Is it all black or is it all white?  
Should I turn left or should I turn right?  
Say it's alright...

There are so many points of view  
Look at me and look at you.  
I'm not trying to disapprove what your're saying to me.  
Just forgot what I'm fighting for.  
Who remembered to keep the score.  
Now I guess I can't afford, to buy a second hand  
dream.

Livin' each day as if it's the last,  
Is what I should do but I know,  
The day has just passed.

Chorus: (2x)

Is it all wrong? Is it alright?

Is it all black or is it all white?  
Should I turn left or should I turn right?  
Say it's alright...  
Is it all wrong, is it all right?  
Is it all black or is it all white?  
Should I turn left or should I turn right?  
Say it's alright...
