Verse 1:

They can play
Lets pretend
Make out life with my best friend
Telling there lies
And they can scheme
Behind my back
Make fiction out of fact
Try to rewind my life

Pre-Chorus:

But they aint gotta clue
If I were in there shoes
I'd shut right up, up, up

Chorus:

Take me as I am
Or not at all
I aint ever gonna change myself for no one
No chompromise
Cause it's my life
It's all or nothing

Verse 2:

They can laugh all they like
There's no need to justify
I am who I am
And they can do there worst
If they dare
If it makes them happy we don't care
It's out of there hands

Pre-Chorus:

But they aint gotta clue
If we were in there shoes
We'd shut right up, up, up

Chorus:

Take us as we are
Or not at all
We aint ever gonna change ourselves for no one
No chompromise

Cause our lives
It's all or nothing

Take me as I am
Or not at all
I aint ever gonna change myself for no one
No compromise
Cause it's my life
It's all or nothing
