I just wanna run away and hide from everyone
I feel so scared in case I fall (I'll catch you if you fall)
I'm trying to prove to them that I can make it on my own
So tell me why does it feel so hard today?

Chorus:

I don't wanna waste anymore time on something I can't
do
(You've got nothing to lose)
So don't try and talk me into it, cause I'm not coming
with you

Oh no...

I've always tried to wear my heart on my sleeve
But now I'm hiding in a way (Hiding away)
I know my friends will always be my side
So tell me why does it feel so hard today?

Chorus:

I don't wanna waste anymore time on something I can't
do
(You've got nothing to lose)
So don't try and talk me into it, cause I'm not coming
with you

I don't wanna waste anymore time, there's nothing I
can do
(You've got nothing to lose)
So don't try and talk me into it, cause I'm not coming
with you
