Yeaaaaahhh-ohhhh!  
Yeaaahhh-whoahhh!

Yeah!

I'm turning corners with no walls to climb.  
But I've climbed the tallest of trees to peer over  
gateways to see beauty, in a million shapes and sizes  
broken down, in a dreamless envy. WE'VE GOT ONE  
WISH! So find the ruler of this nightmare and grant me  
slumber, in this bottomless pit. Help me find the way  
tonight!

With the weight of the world on my shoulders I feel  
complete. I'm staring from this castle tempted to break  
free.  
And if I knew how to control all these feelings bottled  
up inside, then I'd unscrew the lid to place it out at sea,  
where I could let my dreams sink freely!

With this weight I can't feel my legs running, fall down.  
And with this weight, I can't feel my legs running!

I'm full of fucking rage, determined to define the  
midnight hour of happiness where the sheep jump  
freely.

And there will be no shepherd to follow tonight. So  
there will be no shepherd to fucking follow, tonight.

I guarantee!

Let me see your body, let me see you on the dance  
floor.  
Let me see you move your body, let me see the goods  
come on.  
Let me see your body, let me see you on the dance  
floor.  
Let me see you move your body, let me see the goods.

We'll see your hearts go out tonight. [repeated]

Let me see your body - let me see you on the dance  
floor.
