I sent you four hundred bucks  
So you could buy some car  
I love you so much  
I didn't get too far

For four hundred bucks  
You were sweet that day  
I guess I should have known  
Known you'd never repay

Four hundred bucks  
Four hundred bucks  
And now you don't give a fuck  
About my four hundred bucks

Fifty-seven sedan  
Well, that's a mighty fine car  
Now your boyfriend's back  
Buying drinks at the bar  
With my four hundred bucks  
Four hundred bucks  
And now you don't give a fuck  
About my four hundred bucks

You got a new puppy dog  
Put your cat on the street  
Now we're both fucked  
Without my four hundred bucks

Four hundred bucks  
Four hundred bucks  
And now you don't give a fuck  
About my four hundred bucks
