[Chorus]

Follow Me, to the water I know you will
Follow Me, Oh Daughter of Science.
Follow Me, every secret will be revealed,
Follow Me, oh sweet little child.

I don't need to know your name
All I need is your touch.
Water so deep and clean,
It can wash away so much

If your mama cries
Because she misses you tonight
You can wash away her tears
If she comes down with a sigh here.

You don't have to say a word,
Just swim with me a while.
Everything you've wondered
Will be explained tonight.

[Chorus]

Follow Me, to the water I know you will,
Follow Me, Oh Daughter of Science.
Follow Me, every secret will be revealed,
Follow Me, oh sweet little child.

Follow Me
Follow Me
Follow Me
Follow Me

[Chorus]

Follow Me, to the water I know you will,
Follow Me, Oh Daughter of Science.
Follow Me, every secret will be revealed,
Follow Me, oh sweet little child.

Follow Me, to the water I know you will,
Follow Me, Oh Daughter of Science.
Follow Me, every secret will be revealed,
Follow Me, oh sweet little child.
