I don't want to tie you down
I don't want to break your stride
So if you got to go then go
And I will be the shadow at your side

You know I got to find out
Just what you're made of
'Cause this is your song now
'Cause this is your song now

And I am the shadow at your side
I am the shadow at your side
I am the shadow at your side
I am the shadow

So won't you put a light on
And put it in your window
To let me know you're at home
To let me know you're alone

Know that I am watching
Always watching
Let me follow
Let me follow

'Cause I am the shadow at your side
I am the shadow at your side
I am the shadow at your side
I am the shadow

Let me follow you
Let me follow you
Let me follow you
I will, I will
Let me follow you
Let me
Let me

So won't you put a light on
And put it in your window
Let me know you're at home
Let me know you're alone

Know that I am waiting
Always waiting
Let me follow
Let me follow

And I am the shadow at your side
I am the shadow at your side
I am the shadow at your side
I am the shadow

I am the shadow at your side
The shadow at your side
The shadow at your side
I am the shadow

I am the shadow
I am the shadow
I am the shadow
I am the shadow
