Listen every lover,
Cause this is your song,
So pound those pretty lips,
And sing it along,
I did your dirty work,
And I'm still alive,
And I did all to watch you...

Yeah,
Watch you shine now,
Yeah,
Watch you shine.

So this is how the story goes,
You reel me in, you let me go,
And once upon a time I said,
I won't be fooled again.

And then the catch,
And then release,
And with a blush of disbelief,
You reel me in, you let me go,
And this is how the story goes.

You know you're magic baby,
You know you're fine.

Yeah,
Watch you shine now,
Yeah,
Watch you shine.

And now the test of will begins,
And all your grace, and all your sins,
Wakes up my darkest weakness,
Come to me now my sweetness.

You know you're magic baby,
You know you're fine.

Yeah,
Watch you shine now,

Yeah,
Watch you shine, watch you shine.

Well, listen every lover,
Cause this is your song,
So pound those pretty lips,
And sing it along,
I did your dirty work,
And I'm still alive,
And I did it all to watch you...

Yeah,
Watch you shine now,
Yeah,
Watch you shine,
Yeah, yeah,
Watch you shine now,
Yeah yeah yeah yeah yeah yeah yeah,
Watch you shine, watch you shine.

You know you're magic baby.
