Yes you know my love I'm giving up
I just can't do it
I gave my soul, my one and all
And still I blew it

Well I love you so much, I love you so hard
It's like I don't have a name
And still my love is not enough
And I'm to blame

Look at me now, I'm a wreck
I'm down on my knees, everyone knows

You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful

Now I know everybody goes
Through a little hell sometimes
But it's a sin, the shape you left me in
When you kissed me goodbye

You took my heart, tore it all apart
And I took your medicine, yeah
You got no soul, me no self-control
Here I go again

Look at me now, I'm a wreck
I'm down on my knees, now everyone knows

You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful

Yes you are
Here we go

You know my love I'm giving up
I just can't do it, woah

You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
