Strong hands, strong mind  
Strong all the time  
Straightforward and kind  
Too simply defined

Cause no one wants to know  
The man who stands for things we outgrow  
He's too noble and too blind  
We're all older now  
And we don't need someone to care about  
The innocence we left behind

Don't touch that dial  
Its just that goodness is out of style

Beat dark, beat cold  
(So conflicted)  
No hand to hold  
(Heart constricted)  
Dark knight bright soul  
(We're addicted)  
No room here for the bold

Cause no one wants to know  
The man who stands for things we outgrow  
He's too noble and too blind  
We're all older now  
And we don't need someone to care about  
The innocence we left behind

And what if he can fly?  
Hey well so can I  
Jet Blue or United Airlines  
And who cares if he's strong?  
All we see's the wrong we've done  
Reflected in his eyes

Cause no one wants to know  
The man who stands for things we outgrow  
He's too noble and too blind  
We're all older now  
And we don't need someone to care about

The innocence we left behind

Cause no one wants to know  
The man who stands for things we outgrow  
He's too noble and too blind
