i want to be in a motorcycle gang  
gangreen and mean and fucked up all the time.  
picture me on the back of a harley  
leather-clad and bad and driving fifty-five.  
i want to see things i'll never get to see  
foreign bronze, klingons, naked girls with purple eyes.  
yeah, look at me - sad and low and lonely - dead-end  
job, a slob,  
and fucked up all the time.  
i'm going nowhere. i'd rather go somewhere instead.

i'm gonna blow a hole through the back of my head.  
don't cry when I say good-bye
