As your future is broken down  
Look back as your past is crumbling  
As hope denied again  
Looking into her eyes of hell

You will break  
You will break  
Gears will break, buried away

Beat me to death now  
Beat me to death now  
Beat me, beat me to death  
Beat me to death now

As I cry to your ashes as you cry to me  
So don't pretend to be my friend  
So don't pretend to be, to be my friend  
You cannot rectify your mistakes  
When every hope carries closure

You have become the denied  
You have become the denied  
You have become  
You have become the denied

Loneliness is a lifetime  
As years tormented you're forced to die  
Soaking in a pool of your own blood  
Crushed bones engulfed in fire

Forced to fall down  
Your blood still stains

(Captive)  
As this time  
(Forever)  
And civilized structures

(Captive)  
Will fall away  
(Forever)  
You are still blood stained
