Beautiful girl
You're a lovely picture
Beautiful girl
You're a gorgeous mixer of all their lives
Under those big blue skies
My heart cries
Beautiful girl
You're a dancing apple
I could never travel if I have you
You'll be my dream come true
There may be blondes and brunettes
That are hard to resist
You should pass them like a queen
You got those lips that were meant to be kissed
And you're sweet sixteen old
Beautiful girl
What a gorgeous creature
Beautiful girl
Let me call the creature, what can I do
But give my heart to you
If I could write like poets do
I sang my song all to you
Beautiful girl, you're my desire
But when I search for words or phrase
I'm like a schoolboy in the daze
When you come my way
This is all that I can say
Can't you see my heart just cry
Beautiful girl
You're a dancing apple
Beautiful girl
I could never travel if I have you
You'll be my dream come true
