

I Know What You Did Last Summer "Clumsy"

Throw away the radio, suitcase keeps you awake
Hide the telephone, the telephone, telephone in case
You realize that sometimes you're just not okay

You level off, you level off, you level off it is not all
right now
You need to understand there's nothing strange about
this
You need to know your friends, you need to know that

I'll be waving my hand, watching you drown
Watching you scream, quiet or loud

And maybe you should sleep and maybe you just need
a friend
As clumsy as you've been, there's no one laughing
You will be safe in here now, you will be safe in here

Throw away this very old shoelace that tripped you
again
Try and shrug it off, shrug it off, shrug it off, it's only
skin now
You need to understand, there's nothing fake about
this
You need to let me in, I'm watching you

And I'll be waving my hand, watching you drown
Watching you scream, no one's around

And maybe you should sleep and maybe you just need
a friend
As clumsy as you've been, there's no one laughing
You will be safe in here, aha, you will be safe in

I'll be waving my hand, watching you drown
Watching you scream, quiet or loud

And maybe you should sleep and maybe you just need
a friend
As clumsy as you've been, there's no one laughing
You will be safe in here, aha, you will be safe in here
now

You will be safe in here

In here, aha, in here, aha

In here, aha, in here, aha

In here, aha, in here, aha
