King's side queens  
From the fortress searching  
Watch deeply  
Many heroes at magazines  
They have all bad dreams  
And the souls of thousands  
Of the fear and still they'll be...

I will be forgotten  
You will be forgotten too  
I will be forgotten  
And you will be forgotten too

Lets take a walk  
Out of this club  
Into the snow  
We'll burn in the afterglow

I will be forgotten  
You will be forgotten too  
I will be forgotten  
And you will be forgotten too

I will be forgotten  
And I will be forgotten  
And you will be forgotten too  
You will be forgotten too

I will be forgotten  
And I will be forgotten  
And I will be forgotten  
And you will be forgotten too  
You will be forgotten too
