Go ahead, spit it out, I can take it  
Don't do this, don't do that, try and fake it  
I, I, I have seen it all

Tell me there's something wrong, make me see it  
How I try I must be wrong, it must be me  
I, I, I have been wrong before

And I confess, that I am having a hard time  
And I confess, that your hard time's harder than mine

When it's over, I'm coming over  
Use your shoulder, soon be over  
But I'm losin' it, losin' it, losin' it, losin' it, losin' it, losin'  
it

Suck it up rip it out, still I'm learnin'  
Light it up put it out, keep it burnin'  
I, I, I've been burned before

Come on out I know you can make me happy  
Little smile just ahead, make it happen  
I, I, I have smiled before

And I confess, that I am having a hard time  
And I confess, that your hard time's harder than mine

When it's over, I'm coming over  
Use your shoulder, soon be over  
Well, I'm losin' it, losin' it, losin' it, losin' it, losin' it,  
losin' it  
I'm losin' it, losin' it, losin' it, lose it, lose it, losin' it

I am having a hard time
