Must you keep looking at me  
Before you looked the other way  
Must you keep glaring at me  
I know you look inside, and see what you made

You took no pride in me  
But now I'm your everything  
It's finding out ya [unverified] me  
Not all of your gloating

Must you keep looking at me  
Now you see what I am  
Trust, I knew what it was  
I don't forget things, thinking I'm nothing

You took no pride in me  
But now I'm your everything  
It's finding out ya [unverified] me  
Not all of your gloating

Pride of me  
No pride  
Why, why, why, why  
Why, why, why

Must you keep looking at me  
Before you looked the other way  
Trust, I knew what it was  
I don't forget things, look what you've made

You took no pride in me  
But now I'm your everything  
It's finding out ya [unverified] me  
Not all of your gloating
