

I Know What You Did Last Summer

See the curtains hangin' in the window
In the evening on a friday night
A little light-a-shinin' through the window
Lets me know everything's all right

Summer breeze makes me feel fine
Blowin' through the jasmine in my mind

See the paper layin' on the sidewalk
A little music from the house next door
So I walk on up to the door step
Through the screen and across the floor

Sweet days of summer - the jasmine's in bloom
July dressed up and playing her tune
And I come home from a hard day's work
And you're waitin' there
Not a care in the world

See the smile awaitin in the kitchen
Food cookin' and the plates for two
Feel the arms that reach out to hold me
In the evening when the day is through
