When you're going out  
When I'm staying in  
Keep your head above  
Head above water

You could start again  
Keep your head above  
We don't want each other  
We don't want our love

Start from one and two  
Count from one to five  
We can't change this feeling  
We can't change this time

Learn to, learn to trust  
Let no one else in  
Start from one and two  
Count from one to five

When you go out  
And I'm staying in  
Little has changed  
But it's just enough
