Given good ground to walk around
It would mean so much to me
To see things for my still young self
Or else, I might not believe

Whatever people say in their own ways
Colorful faces and easy goin' shame
Almost tellin' me, things I need to know
We're travelin'', lookin' for the world
Thinkin' in different words

I'm not leavin' you, no way friend
You'd ever last, yo no voye
Sweet earth boy
You'll have to think and wait, wait

Given wide skies to search and fly
It would sure seem to me
That it's so full of everythin'
Either seen or unseen

Endless night displays
Cosmic death rays
That hold your feet in place while
Your mind runs away

What I didn't know is that no one's goin'
This old bus sits
While jungles laugh and sing
Nobody filled me in

I'm not leavin' you, no way friend
You'd ever last, yo no voye
Sweet earth boy
You'll have to think and wait

I'm not leavin' you, no way friend
You'd ever last, yo no voye
Sweet earth boy
You'll have to think and wait

I'm not leavin' you, no way friend

You'd ever last, yo no voye
Sweet earth boy
You'll have to wait

I'm not leavin' you, no way friend
You'd ever last, yo no voye
Sweet earth boy
You'll have to think and wait
