Kool Moe Dee:

Ho Ho Ho

Open up ya do

I'm Santa Claus and guess what y'all

I got something to show

I came to bring some Christmas Spirit

I got a big bag now guess what's in it

Something for the rich and something for the po

So Merry Christmas and ho ho ho

L.A. Sunshine:

Ho Ho Ho Merry Christmas my foot

I'ma tell you what Santa really put

under my so-called tree but in reality

looked like nothin but a decorated pole to me

Special K:

Man, you talk about a tree it makes wonder

cause I never had a tree to put anything under

if I ever did luck up and get a tree

there was never anything under it for me

Kool Moe Dee:

Man I don't what y'all talking about

cause when I come to your town I just get kicked out

You think I'm getting presents made for free

I gotta pay them elves and ain't nobody paying me

L.A. Sunshine:

You big fat whale you might as well quit

cause I can name a hundred presents that I didn't get

and if I did get a present it would be a hand-me-down

Yo I got this for Christmas now how that sound

Special K:

It sounds good to me cause I'm about to freeze

you wanna see something look at the bottom of these

me and brothers can't go out at the same time

cause a coat that's theirs is a coat that's mine

Kool Moe Dee:

Man I know one thing y'all better get off my neck  
and wait till you get ya welfare check  
go on down to the office and stand in the line  
better hurry up see I got mine

Chorus:

Jingle, Jangle, Jingle for the po  
and once you get your welfare check  
Yo kiss my mistletoe  
Ho Ho Ho  
Ho Ho Ho

L.A. Sunshine:

That's why the presents keep getting mixed up  
cause year after year you keep fucking up  
and now I know why cause you always drunk  
instead of G.I. Joe you send me this junk

Special K:

That ain't a G.I. Joe that's a G.I. jerk  
with a kungfu grip that don't even work  
so all I did was just put him away  
cause my G.I. Joe looked G.I. gay

Kool Moe Dee:

That's why you don't get presents now  
cause you're just ingrates  
if the G.I. Joe is gay what difference does it make  
after all he's just a doll ain't too much he can do  
if you ask me boy I ain't to sure about

L.A. Sunshine:

Listen bloato in your big fat suit  
next time say no don't send no substitute  
cause I asked you for a beatbox and you know what I  
got?  
Dougie Fresh, you know that kid from down the block

Dougie Fresh:(beatboxing)

Special K:

For a fascimile we must admit  
Dougie Fresh was good and made a perfect fit  
He's the only reason why we weren't totally mad  
Without Dougie our Christmas would've been really sad

Kool Moe Dee:

Well let's get Doug E. Fresh and Magnificent Force

and head on out the do  
and leave these partypeople singing  
Jingle, Jangle for the po  
Sing!
