

I Set My Friends On Fire "HxC 2-step"

Visit "[HxC 2-step](#)" on MotoLyrics.com

This sounds like the reaction your girlfriend,
Makes when you just told her,
That you have an STD in bed!

I SET MY FRIENDS ON FIRE BITCH!
"What?"

Girl you like a Starbucks you on every block,
Keepin' me up all night like that caffeine riding on ma'
cock.
Oh tonight it's more then money I can feel the romance.
So bend ova, spread yo' legs, and watch me dance.

Bitch I'll pull my jeans below my waist,
And give yo' tounge a sour sour taste.
Not of this drink, but of my skeet,
Now watch me alternate my feet.

You bring the right foot up,
Keep the left one down. (So watch your back!)
Cross the right foot ova',
Then bring the left one around.

Girl I'm most likely known in your hometown.
Take off yo' clothes and lay yo' ass down.
Now cock it back, lock and load.
2-Step, 2-Step while I EXPLODE!
Switch yo' motion den reverse,
And get ready for the next verse,
Cuz if you go your as in a seat,
Then get the fuck up and move your feet

THIS AIN'T A FUCKIN' BED!
IT'S A MOTHA FUCKIN' PIT!

You could rock each other later,
But in da' crowd you finna' get hit. (You finna' get hit).

So pick up your scrawny legs,
Replace your left foot with your right.
Just like I bump you under covers.
You finna' be 2-Steppin' all night!

You bring the right foot up,
Keep the left one down. (So watch your back!)
Cross the right foot ova',
Then bring the left one around.

You bring the right foot up,
Keep the left one down. (So watch your back!)
Cross the right foot ova',
Then bring the left one around.

Hardcore 2-Step! [X16]

You bring the right foot up,
Keep the left one down. (So watch your back!)
Cross the right foot ova',
Then bring the left one around.

You bring the right foot up,
Keep the left one down. (So watch your back!)
Cross the right foot ova',
Then bring the left one around.

Hardcore 2-Step!
Hardcore 2-Step!
