If I should die this very moment
I wouldn't fear
For I've never known completeness
Like being here
Wrapped in the warmth of you
Loving every breath of you
Still my heart this moment
Or it might burst

Could we stay right here
Until the end of time
'Til the earth stops turning
Wanna love you 'til the seas run dry
I've found the one I've waited for

All this time I've loved you
And never known your face
All this time I've missed you
And searched this human race
Here is true peace
Here my heart most calm
Safe in your soul
Bathed in your sighs

Wanna stay right here
Until the end of time
'Til the earth stops turning
Gonna love you 'til the seas runs run dry
I've found the one I've waited for

All I've known,
All I've done,
All I've felt,
Was leading to this
All I've known,
All I've done,
All I've felt,
Was leading to this

Wanna stay right here
Until the end of time

'Til the earth stops turning
Gonna love you 'til the seas run dry
I've found the one I've waited for

The one I've waited for

Wanna stay right here
Until the end of time
'Til the earth stops turning
Gonna love you 'til the seas run dry
I've found the one I've waited for

The one I've waited for

The one I've waited for
