I dont know where Im going
But, I sure know where Ive been
Hanging on the promises
In songs of yesterday
An Ive made up my mind,
I aint wasting no more time
But, here I go again
Here I go again

Tho I keep searching for an answer,
I never seem to find what Im looking for
Oh lord, I pray
You give me strength to carry on,
cos I know what it means
To walk along the lonely street of dreams

An here I go again on my own
Goin down the only road Ive ever known,
Like a hobo* I was born to walk alone
An Ive made up my mind
I aint wasting no more time

Im just another heart in need of rescue,
Waiting on loves sweet charity
An Im gonna hold on
For the rest of my days,
cos I know what it means
To walk along the lonely street of dreams

An here I go again on my own
Goin down the only road Ive ever known,
Like a hobo* I was born to walk alone
An Ive made up my mind
I aint wasting no more time

But, here I go again,
Here I go again,
Here I go again,
Here I go...

An Ive made up my mind,

I aint wasting no more time

An here I go again on my own
Goin down the only road Ive ever known,
Like a hobo I was born to walk alone
cos I know what it means
To walk along the lonely street of dreams

An here I go again on my own
Goin down the only road Ive ever known,
Like a hobo I was born to walk alone
An Ive made up my mind
I aint wasting no more time...

But, here I go again,
Here I go again,
Here I go again,
Here I go,
Here I go again...
