First I was afraid  
I was petrified  
Kept thinking I could never live  
without you by my side  
But I spent so many nights  
thinking how you did me wrong  
I grew strong  
I learned how to carry on  
and so you're back  
from outer space  
I just walked in to find you here  
with that sad look upon your face  
I should have changed my stupid lock  
I should have made you leave your key  
If I had known for just one second  
you'd be back to bother me

Go on now go walk out the door  
just turn around now  
'cause you're not welcome anymore...
