[voice box]

Do you wanna ride

[Intro]

Whassup baby?

You wanna get freaky?

Oh, wanna get freaky

That's right

I'll pick you up at about 5:30

Take you to my house, we can get dirty

See I ain't got no shame in my game

Get you on the bed, make you scream my name

Girl don't you hold back

Cuz my lovin' is all there

See baby, I can do it like this

Side to side, up and down

Round and round, pound for pound

Say it

[1] - Do you wanna ride

Do you wanna get freaky

Baby, let me come inside

We can both get nasty

Do you wanna ride

Do you wanna get freaky

Baby, let me come inside

We can both get nasty

Kissin' on your lips and baby kissin' on your thighs

See, I'm the nigga from Tennessee and baby that's my thing

Oh what I wanna do to you

Get next to you, wanna rub you

Do all the things your man won't do

Straight half bangin' boogie

All night long baby

Break it out till early dawn

Baby wanna hear you moan  
Hurry up take it off  
So I can come inside, yeah, yeah

[voicebox]  
I can tell that you wanna get with me

Do ya, do ya, do ya

[Repeat 1]

We can go, oh girl  
(Up and down)  
Up and down, baby  
(Round and round)  
Round and round  
(Pound for pound)  
Pound for pound  
All night long

We can go  
(Up and down)  
I'll take you there with me  
(Round and round)  
Together baby we will see  
(Pound for pound)  
I'll be with you  
All night long

[Repeat 1 until fade]
