Well, the President called me, said I need your help  
The sky is falling, and the earth is gonna melt  
I said, it sounds like your in pretty bad shape  
I'll be there tomorrow if it ain't too late

'Cause I'm Smack dab in the middle of love  
Up to my ears in kisses and hugs  
I'm busy with my baby, yeah I'm covered up  
Smack dab in the middle of love

A flying saucer landed at my house  
Little green men came a walkin' out  
Well, they looked at me and said you're comin' with us  
I said, I hope you boys ain't in no rush

Repeat Chorus  
Guitar Solo

I got all six numbers in the lottery  
Forty-seven million all won by me  
When they called me up to claim my dough  
I said, I can't come now 'cause don't you know

Repeat Chorus

Smack dab in the middle of love
