Six o'clock, I'm hungry and alone  
So I call you on the phone  
'cause I know that you'll be home  
and I cant see why you wouldnt be girl  
and I know that im waiting up for you  
cause I know that I'm made enough for two  
Still I'm left here asking

Why I'd want to share my Pastaroni  
With anyone I don't know  
But especially why.....  
Why I'd want to share my Pastaroni  
With anyone I don't know  
But especially why.....why with you.  
Why with you

Three hours later, I'm still hungry  
and I'm still alone  
'cause I sent you home  
wanting  
And I know that I shouldn't have used you  
But she used me, and as usually  
My spite has made me

Why I'd want to share my Pastaroni  
With anyone I don't know  
But especially why.....  
Why I'd want to share my Pastaroni  
With anyone I don't know  
But especially why.....why with you  
Why with you

Tripping, trying, to get to you  
(repeat 3 times)  
Tripping, trying not to get to you

Why I'd want to share my Pasteroni  
With anyone I don't know  
But especially why.....  
Why I'd want to share my Pasteroni with anyone I don't  
know  
But especially why.....why with you
