come on baby turn it up 1234 come on baby turn it up 5678 come on baby don't say maybe yeah when I say when turn it up again 9 10

feel the rhythm, pulsing through my veins sweet music and melody takes away the pain it's a drug all on its own I don't need nothing else and I'm ready to go (GO!)

so come on baby turn it up 1234...

Bass, Guitars, drums and amplfiers yeah nothing can put out this fire oh girl do you feel it too? does the rhythm and the melody move you

so come on baby turn it up 1234...

unity, you and me, sharing this moment together right now make it last, leaves so fast, but now the speaker's loud Those words, bass lines, lyrics, resonate yeah something that makes life worth living

so come on baby turn it up 1234...
