I hope I'm making perfect sense,  
I hope I'm getting through.  
These eyes that strain is alright,  
'Cos baby it's all for you.

Take steps, tiny steps, to meet me.  
I missed you babe so badly.  
So stay here in my arms,  
For a few minutes, yeah,  
Before we both can make a mis-service,  
Yeah, tonight.

Understand me now,  
I do not want to be left out.  
It's time for things to change,  
So stay stay stay awake.  
I saw the words come straight out your mouth,  
Baby why'd you leave me out, tonight.

I hope I'm making perfect sense,  
I hope I'm getting through.  
These eyes that strain is alright,  
'Cos baby it's all for you.

Take steps, tiny steps, to meet me.  
I missed you babe so badly.  
So stay here in my arms,  
For a few minutes, yeah,

Yeah.

It's time for things to change,  
So stay stay stay awake.  
I saw the words come straight out your mouth,  
Baby why'd you leave me out, tonight.

It's takes too long, to understand,  
Baby we are young can you keep that at hand?  
Understand me now,  
I do not want want to be left out.  
It's takes too long, to understand,  
Baby we are young can you keep that at hand?

Understand me now,  
I do not want want to be left out.

It's time for things to change,
