You had me then and you could have me now,  
So take my hands I can't explain it.  
I'd do anything you asked of me.  
Don't make a sound, just come along baby.

I saw you through the crowded streets,  
And you looked beautiful to me.  
One more night and then I'll be on top. (x2)

I would do anything to get you baby,  
Anything at all.  
I lay around dazed and day dreaming.  
I hope that next year won't be the same.

I saw you through the crowded streets,  
And you looked beautiful to me.  
One more night and then I'll be on top. (x2)

I can't believe anything anything tonight  
And I cannot sleep until I feel alive  
I can't believe anything anything tonight  
And I cannot sleep until I feel alive  
One more night and then I'll be on top.(x2)
