Searching to find love
No hurting she needs kind love
certainly ready anytime for divine love

[-Chorus-]

I need her in I amrs to charm and keep I warm
O and I'll be flowing on and on from dusk till dawn..
She's the one who keeps I calm right through the storm
so be strong and do no wrong..
I need her in I arms to hold
just to warm her when she's cold
Be by her side so brave and bold
O I'll be in full Hi-trol
Lightening flash and thuder roll
Lets get close now its time to start the show
just incase you have never been told
you should know girl you worth more than money and
gold

I need her in I amrs to charm
and keep I warm
O and I'll be flowing on and on from dusk till dawn..
O she's the one who keeps I calm right through the
storm
So be strong and do no wrong...

She said it jolly good
Say she prefer Africa dan hollywood
She say never get caught like the fally would
She need I-wayne and no robinhood
nah she truly good
No matter what the time or weather I need her close by
I
She's so warm and tender
She's a joy fullin I-wayne

I need her in my arms to charm and keep I warm
O and I'll be flowing on and on from dusk till dawn..
She's the one who keeps I calm righ through the storm
So be strong do no wrong

I need her bring light in I life

There'll be no fight fight
O in I I night

She's not no high tide
She's alright
She full life high side
day and night

I need her in I arms to charm and keep I warm
O and I'll be flowing on and on from dusk till dawn..
she's the one who keeps I calm right through the strom
So be strong do no wrong

I need her bright light
need her bright light
need bring light
