All my life I tried to make you believe in me.
After perfection died. You were left incomplete.
I lost something too. A brother and as best friend.
Don't blame me for this. I cry as much as you do.
It should have been you
Why is this the truth?
Broken Family. Torn apart.
He was my life. He was my son

My friends are my salvation. Hold me together.

And I won't crumble because you don't love me.
I'll break through and guess what? I'll succeed.

"Fuck you. You are not my son. he's the only one. you're
worthless to me. He was my belief

I'll succeed.
