[Music: Abbath/Horgh]

[Lyrics: Demonaz]

Forth after dark... a time I do know

In my kingdom... I enter to my own world

Open the gate... of a mountain of dark

Rising with the shadow... a dark world made for me

Black my mind... black my heart..

In my kingdom... I enter to my own world

Open the gate... of a mountain of dark

Rising with the shadow... a dark world made for me

Forth after dark... a time I do know

In my kingdom... I enter to my own world

Open the gate... of a mountain of dark

Rising with the shadow... a dark world made for me

In my kingdom cold...

At the mountains of madness

Unending grimness

These mountains which I heart

In my kingdom cold...

At the mountains of madness

Unending grimness this kingdom it is mine...
