Have you ever felt that nothing's ever going your way?
Every good thing that you find is always running away
Have you ever felt that nothing's ever going your way?
Every good thing that you find is always running away

Oh, don't be afraid
Don't be afraid
'Cause everything is gonna turn to be okay
Don't be afraid

Have you ever felt that nothing's ever going your way?
Every good thing that you find is always running away
Have you ever felt that nothing's ever going your way?
Every good thing that you find is always running away

Oh, don't be afraid
Don't be afraid
'Cause everything is gonna turn to be okay
Don't be afraid

'Cause everything is gonna turn to be okay
Yes, everything is gonna turn to be okay
Everything is gonna turn to be okay
Don't be afraid

'Cause everything is gonna turn to be okay
