[Music: Abbath - Lyrics: Demonaz]

Believe the sea high waves upon our coming storm  
hear the roaring tide as we name a dawn  
See the ice in which we craft our souls  
earth's frozen cries the dark benight your kind  
Monstrously the seas rage afar as if to hide from that  
which nears  
skyward from the seasalt air our vision knew a giant  
fall  
See the ice in which we craft our souls  
life's frozen cries the dark benight your kind  
A place of utterness beyond the wilderness  
through a darkened terrain that fades in emptiness...  
Walkers of the dust survivors of the blast  
slowly they move but far behind all time into the solar  
fall...  
Believe the sea high waves upon our coming storm  
hear the roaring tide as we name a dawn  
Monstrously the seas rage afar as if to hide from what  
which nears  
skyward from the seasalt air our vision knew a giant  
fall  
See the ice in which we craft our souls  
all frozen cries the dark benight your kind  
The last sunset flame dust of ice drifts the earth  
lightning plays in depths of no rebirth...
