A hardcore

He's not setting out to hurt people

He's got a lot of love in him

For you know

For his mum, his brother, his girlfriend

He actually, I think, wants to do the right thing

So it's more a question of

Will power, self discipline and circumstances

From being in love

Dark angel, fall from the heavens above

Send me an angel to heal my heart, from being in love

And after all of the love for you, in my life

But it wasn't good enough for you

I can't take no more tears from my eyes

Then I

And after all of the love for you, in my life

But it wasn't good enough for you

I can't take no more tears from my eyes

Dark angel, fall from the heavens above

Send me an angel to heal my heart, from being in love

And after all of the love for you, in my life

But it wasn't good enough for you

I can't take no more tears from my eyes

Then I can be an angel

But it wasn't good enough for you

Dark angel, fall from the heavens above

Send me an angel to heal my heart, from being in love

After all of the love for you, in my life

But it wasn't good enough for you

I can't take no more tears from my eyes

Then I

And after all of the love for you, in my life

But it wasn't good enough for you

I can't take no more tears from my eyes

Dark angel, fall from the heavens above
Send me an angel to heal my heart, from being in love
After all of the love for you, in my life
But it wasn't good enough for you
I can't take no more tears from my eyes
