Going out, I'm just

I envied you

I envied you

Going out, I'm just

I'm just not in it, at all

People are still there

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I envied you

I envied you

I envied you

I envied you

I can't take my eyes off you

I envied you

I envied you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I can't take my eyes off you

I envied you, girl

I envied you, girl

I envied you, girl
I envied you, girl
I can't take my eyes off you

I envied you, girl
I envied you, girl

I envied you, girl
I envied you, girl

I can't take my eyes off
