

## Burial

### "Okay Y'all"

Visit "[Okay Y'all](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I got it

I got it

Okay y'all, okay y'all

Alegate up in on my... y'all

Alleys is where I stand making 20K a day y'all

In the... pulling like the play loss

Picking role and take off you place off

Gun show and shake off...

F-ck still I ate off play... I ate off

... them two straps and blue black

White teeth... we made of

Cool cap my 2 stack say you got me cool that

I cuzz back in my new... do rap

Pinned up... who that, mister D of my...

You stick to me like... no dig to me like...

Hook:

Okay y'all, okkay y'all

Bottles in the air like yeah this for the haters

Bottles everywhere like yeah we gonna play y'all

Holla if you hale we hale let's get this paper.

Okay y'all, okkay y'all

Bottles in the air like yeah this for the haters

Bottles everywhere like yeah we gonna play y'all

Holla if you hale we hale let's get this paper.

Okay y'all, just board a Key y'all

Don't make me white shit you n-gga is kkk y'all

Don't make me... we k k k y'all

Cause I will blow three stacks k k k y'all

Yeah the nights young this closing but a day...

Tell them bitches working if they tryin...

N-gga's coming up to me ask em what...

So I gave em what they key...

... used to beat me all I say it's... tryin to show I was born  
to be a count stander

Remember I was bouncing up and down on a green  
couch

And now I'm doing... in green house it feels good if I  
describe what I guess

It's like when you see a ex and you've been looking the  
best

And maybe with the next and maybe losing the mess

You see me you see... cause I ain't looking no less

[Hook:]

No way y'all I said no way y'all

If you ever think that I ain't got no say y'all

365 going hard every day y'all

Never take a day y'all

Holy got the day of... to switch us

We switch up... we picked up my... my chicks up

N-gga call no break up, cut it out... that

You sleep more the... get lift up

A... all blue put a hustle my mama do...

Waiting... this part two...

We might D like...

[Hook:]
