[feat. Ludacris & Nathaniel]

[Verse 1: I-20]

My life is a movie baby, this is just inanimate  
Four of five bottles of that...  
Hugh blow time piece, I got the Gucci blazer on  
20 carat pinky rang; I get my LA Laker on  
928 Porsche coupe, riding with the tints down  
They wonder if I'm getting paid to see if they convinced  
now  
I just want the change now, tell em that the fame dead  
Head til we pass out, yeah we call it brain-dead  
Headed to the clear port, baby this a man's sport  
Breakfast at the 12 Den, dinner at the Gasport  
I wake up at the W, catch me out at Times Square  
This rap shit is my house, and you are just a time share  
We out'cha time zone, they ain't even searching us  
Stamps on the passport, we wouldn't need intrepid us  
Everybody slanging yay, half these niggas frontin' now  
Nigga this my every day, and we ain't even started now

[Hook: Nathaniel]

I'm living a movie  
So you can sit back and watch how I do me  
My life is doing 90 in the two seat  
I'm here to stay here to win  
Gangsta and gentleman  
I'm the definition of cool  
I said I'm the definition of cool  
Baby I'm the definition of cool

[Verse 2: Ludacris]

Late night orgy fest, women in the swimming pool  
Sucking off bachelors, masters like they finished  
school  
Congratulations  
I made it from the pimp game to industry shady like  
these Louie V tint frames  
But I'm focused my life is in slo-mo  
Been rich since I trademark the DTP logo  
Put it on my arm, tatted up the other side

Haters it's a wrap, your career has been mummified  
Call it quits, hang em out to dry boy  
Have your bitch singing high pitch like choir boy  
She want the buisness, so all I do is give her cock  
Thangs ain't been the same since she landed on Luda  
planet rock  
What a discovery, steady poppin' bubbly  
Prolly with the mayor got the whole town loving me  
I'm diplomatic, to haters it's immunity  
Only God can judge me but you can try suing me, gone

[Hook: Nathaniel]
