Hook:

a nigga seen it all
sometimes i gotta wonder what's the meaning of it all
i really ain't the..if you believe in me at all
hope it's all i have to give and i gotta give my all
a nigga seen it all
sometimes i gotta wonder what's the meaning of it all
i really ain't the..if you believe in me at all
hope it's all i have to give and i gotta give my all, my all

money all for ringtones they just wanna..from you
tell em the chance but they just wanna single from you
you thought..it out walk out a different path
you should check the novelo not to see a paragraph
say you want the title now power like the never felt
call me..now you ca come and see the belt
yeah wanna see you bro i ain't try to run and ..you off
but i could know to pay the price if i take and worth the
cause
niggas this is poetry you know it's me

i can feel the closing in on everyone is post to be
hoping that you notice me and took em relevant
on nice nigga out and i'ma make it everything
i'ma make it properly you gonna have to see the name
you gonna have to see the name see i got to ..
and you don't wanna see the brain i don't wanna see
the fame
i just wanna hold the cast
